Development/Community Trust

Main objective of a community trust is to achieve sustainable development in the community.

Benefits include:

- Social** – Community focal point
- Economic** – Job creation
- Environmental** – Enhance local environment, environmental solutions to local problems

Possible projects for the community trust:

Pavilion	Community gardening
Green Roslin	Renewable energy/energy efficiency projects
Men's Shed	Charity Shop
Ladies Club	Local Employment

Community survey results from Mustard Seed visitors

Question	Votes	
	Yes	No
Do you want a community hall/pavilion?	27	0
Do you want a Roslin Development Trust	27	0
